## Trip Deposit Dates

September 15th, 2017 - \$350 in account

October 30th, 2017 - \$900 in account

December 1st, 2017 - total amount due in account  
(\$1450 for Bands 1-3, \$1100 for Bands 4-5)

## How to Get Money In Your Account

There are two ways to add money to your child's account: 1) write a check or bring cash to put into the account, or 2) take advantage of the many fundraising opportunities we have that are designed to help students make money. Fundraisers include stadium seatback installation and removal, stadium seatback customer service, Bikes, Blues, and BBQ cleanup, Razorback football and basketball parking, and other fundraisers to be announced. In addition to the remaining Razorback basketball game parking, we will be having other fundraising opportunities before June 1st.

## Refunds from Trip Accounts

Trip deposits are due to the travel company at various times throughout the year. The money that is due coincides with our payment schedule. The travel company uses this money to reserve charter buses, hotel accommodations, tickets, meals, etc. It is not refundable to us once we send it in. With that in mind, refunds are not available to students with balances at or below the deposit amounts. For example, if after September 15th a student decides to not participate in band, we can only refund any amount over \$350 (and we can only do this if they meet the criteria for a refund). That amount goes to \$900 after October 30th, and no refunds can be given after December 1st, 2017.

Money earned from band fund raisers is non refundable. This includes parking, seatback installation, walk a thons, etc. The money earned from band fundraisers remaining in a student's account when the student decides not to participate in band will be used for trip related expenses.

If you have a question about a refund or want to check on a trip account, contact our Band Booster treasurer Kim Hadley at [fayettevillebands@gmail.com](mailto:fayettevillebands@gmail.com).
