

FHS Band Booster Meeting

November 10, 2011

Michelle Yocum called the meeting to order at 7 pm.

Minutes were read by Mary Lynn Mantooth and approved; they will be posted online.

Jan Davidson presented treasurer's report, and noted that more of the trip money is due before the scheduled departure of November 19.

Michelle asked for a volunteer to be basketball parking supervisor.

Michelle announced that Razorback stadium seatback removal will be December 3 or 10, depending on Fayetteville's progression through the playoffs.

Mr. Harper took the floor and presented his report (mainly trip news):

- TimeLine will again be the charter bus company for the trip. We have used them many times before.
- All students and chaperones need to be at the school on the morning of November 19 at 9:30am.
- The meals for the first day are being taken care of – First Baptist Church is providing a sack lunch to all; and Fayetteville Public Schools is picking up the cost of supper. The students will get cash for the other 4 fast-food meals en route to NYC.
- A raffle was held for a cruise. Tickets were sold as another avenue for students to make their trip money. The Lawson family won the cruise.
- The trip itinerary was handed out – it will be a full week of fun activities.

Michelle adjourned the meeting.
